# Alexandria Gazette

MONDAY EVENING, DEC'R. 9, 1878. The arrest of Dr. Mary Walker in New York shows the rash daring of the police force of that city. The policeman who arrested her had the opportunity to charge the doctor with being a woman, an imputation which was indignantly repelled, and followed up by the overwhelming question, "How do you know that I am a wom-

probabilities are that he will "give it up." The French plan of keeping silver at par with gold is by limiting its coinage. This is the plan suggested by Secretary Sherman. The Bank of France pays gold upon its notes when demanded, but \$300 000,000 of silver are kept in circulation at par with gold by a strict limitation of the coinage. When gold is wanted for any purpose the silver coin is practically redeemable in the more valuable metal.

It is estimated, says the Railway World, that during the lest eight years there has been an ad dition of at least 400,000 to the population of Texas, and that the assessed valuation of the property in the State has been increased during the same period \$250,000,000.

Scoretary Sherman's report. Resumption of specie payment being accomplished, it is further necessary to economize by buying Dealham's clothing.
